STATEMENT OF SUBSTANCE OF INTERVIEW UNDER 37 C.F.R. §1.133

The applicants wish to thank Examiner Marvich for the courtesy of the telephonic examiner interview conducted on May 19, 2006 with the undersigned. As discussed below, with the exception of claim 17, the remarks set forth in the Interview Summary Form that accompanied the Supplemental Notice of Allowability dated May 25, 2006 are consistent with the substance of that interview and are believed to address the outstanding issues as discussed during the interview.

The term "cancer" appearing after the term "melanoma" in line 3 of claim 17 was deleted in the applicant's Amendment dated December 7, 2005, as redundant. Claim 17, as it appears in the Examiner's Amendment, does not reflect this.

Respectfully submitted,

Glenn P. Ladwig
